

Hands-On

MCITP: Server Admin / MCSA: Win Server 2008

Accelerated

Course Description

This Hands-On Accelerated course will prepare Microsoft professionals for the Microsoft Certified IT Professional (MCITP) Server Administrator / Microsoft Certified Solutions Associate (MCSA) Windows Server 2008 certification. In this intensive test-preparation program, you will practice sample questions and take simulated exams using Transcender, the industry-leading IT certification-preparation product. Fast-paced, rapid review sessions cover key material, providing comprehensive exam preparation.

Microsoft recently announced new certifications with an increased focus on business-context problems and solutions using cloud-based skills. Achieving MCSA Windows Server 2008 certification is your first step towards distinguishing yourself as having the commitment, technical expertise, and ability to design innovative solutions across multiple technologies, both on-premise and in the cloud.

You Will Prepare for These Exams

70-640 Windows Server 2008 Active Directory, Configuring
70-642 Windows Server 2008 Network Infrastructure, Configuring
70-646 Windows Server 2008, Server Administrator

Upon Passing the Exams You Will Earn These Certifications

MCTS Windows Server 2008 Active Directory Configuration
MCTS Windows Server 2008 Network Infrastructure Configuration
MCITP Server Administrator / MCSA Windows Server 2008

Students Will Learn

- **Key topics and concepts tested on the MCITP Server Administrator / MCSA Windows Server 2008 exams**
- **Structure of the MCITP Server Administrator / MCSA Windows Server 2008 exams and the most effective test-taking strategies**
- **How to be successful on Microsoft's new performance-based test format**
- **Use the Transcender test-preparation software to reinforce learning objectives, validate current knowledge, and review the most comprehensive and realistic exam questions**
- **Pinpoint your weak areas and strengthen them to ensure success on the MCITP Server Administrator / MCSA Windows Server 2008 exams**
